# MALAGA

jest drugą co do wielkości metropolią Andaluzji, regionie Hiszpanii usytuowanym w południowej części kraju.

Podczas pobytu- oprócz ważnych dla nas staży w hiszpańskich firmach-z jednej strony mieliśmy do dyspozycji piękne plaże, z drugiej natomiast moc wielkomiejskich atrakcji.

# WRAŻENIA Z PRAKTYKI W MALADZE

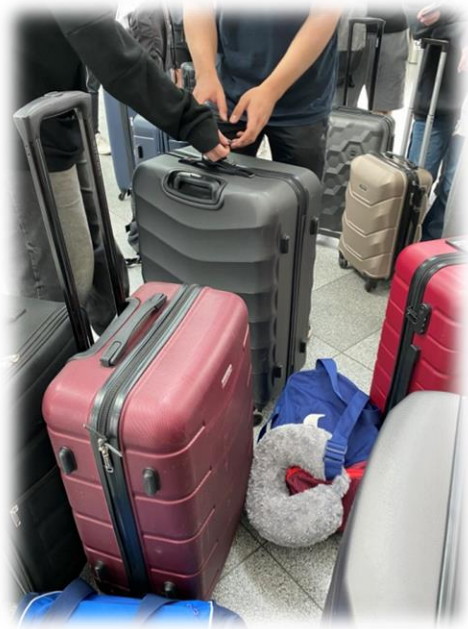

- Im so grateful that i could join this trip. I learned a lot and I spent such a great time with people from my school. I made new friends and improved some old contacts. This town is so beautiful and also colourful. We went for a couple of trips to the different cities. Im very happy that I came here and I will comeback as soon as possible. That was a very great experience.

- My name is Dominik and I would like to write a few sentences of my opinion about the euromaind project in which I participate. I rate two weeks in Malaga very well. I have been abroad many times and in my opinion Malaga is one of my best trips, the city is beautiful. There is a very nice atmosphere in my company, I work with a team of people my age, so it adds a lot of positive energy. There was nothing boring during the weekend, we were guaranteed cool and very interesting trips. So he evaluates the whole project very positively.

- I am very happy that I had the opportunity to come to Malaga for an internship, it is beautiful and sunny here, I feel great during the internship, there is a great atmosphere in the company, I do what I like and can do, the hotel is nice, the food is tasty, I know that Malaga its wonderful and its worth coming back here, internships here are a very good experience for the future, I learned a lot of new things here and I know that it may be useful to me in the future.

JESTEŚMY WDZIĘCZNI ZA MOŻLIWOŚĆ  
ZDOBYCIA SUPER DOŚWIADCZENIA 😊
